The Lexington Brass Band continues to offer quality programs of wide interest performed by outstanding brass musicians and guest musicians. Our carefully timed, scripted, one-hour concerts receive high marks and praise from our audience. And we are once again a great bargain! We need your help, too, to spread the word about one of the great entertainment packages in Central Kentucky. Tickets per concert are STILL \$5.00 each; a series set is \$15.00 for four concerts. All concerts are at 4:00 PM. All concerts are held at Calvary Baptist Church, 150 East High Street, Lexington. ### **Concert #1: Sunday, 11.01.09: Heroes and Patriots.**

With Veteran's Day just around the corner, we offer a musical extravaganza in salute to our troops, past and present. In the process we'll profile some notable, symbolic heroes. Bruce Broughton's exciting American Hero, and Jim Cheyne's moving And They Were Heroes represent some of the repertoire, as well as Stephen Bulla's Armed Forces Salute, first written for the U.S. Marine Band. Your spirit will be stirred and your heart uplifted!

### **Concert #2: Sunday, 12.06.09: 'Tis the 'Festive' Season.**

Mark Ridenour of the Chicago Symphony Orchestra will be our featured guest soloist in our annual holiday concert. Festive is the right word for the day, and Shostakovich's Festive Overture heads the bill, followed by some great Christmas music, always best when played by brass!

### **Concert #3: Sunday, 02.14.10: A Brass Valentine.**

After all, it is Valentine's Day, so join us for some real Romance in Brass, with both sentimental and up-tempo classics from the big band era, great film music, and other heart-moving tunes that will get you "In the Mood"!

### **Concert #4: Sunday, 04.11.10: Equestrian Brass.**

All Lexington will be horsing around as we approach the World Equestrian Games. Join us for our own cavalcade of brass band music dealing with the horse. You'll love exciting overtures like Light Cavalry and The Bronze Horseman. Galops, marches, and dances abound in this salute to the noble horse. The icing on the cake will be guest conductor, Ronald Waiksnoris (New York Staff Band), one of America's finest brass band leaders. Saddle up!
