ear lovers of great brass music! We have an exciting and engaging series of concerts set for our 16th season. For the 2007/2008

Concert Series we will be moving our concert location for our 16th season back to Calvary Baptist Church, 150 East High Street in Lexington. The Lexington Brass Band continues to offer quality programs of wide interest performed by outstanding brass musicians and guest soloists. Our carefully timed, scripted, one-hour concerts receive high marks and praise from our audiences. And we are once again a great bargain! Tickets per concert are STILL \$5.00 each; a series set is \$15.00 for four concerts. All concerts are at 4:00 PM. All concerts are held at Calvary Baptist Church, 150 East High Street, Lexington. Contact The Lexington Brass Band at: 859-858-3877; or 859-858-3511 Ext. 2246; 164 Seamands Drive, Wilmore, KY 40390; ronald.holz@asbury.edu, or check out [www.lexingtonbrassband.com](http://www.lexingtonbrassband.com).

**Concert #1: Sunday, 11.04.07 Silver Screen Brass** We open our season with a great array of cinema classics, stretching from the 1930s to the present, from *The Wizard of Oz* to that latter-day young wizard, Harry Potter. So much great music from Hollywood is dominated by exciting brass sounds, therefore we revel in this kind of program that is sure to lift the roof, and send you out with a broad smile for having enjoyed a great hour of exciting, dynamic music from the silver screen.

**Concert #2: Sunday, 12.02.07 'Tis the Season**

On our popular, annual holiday concert the outstanding Concert Choir of Asbury College, a group that performed at the National Cathedral, Washington, D.C., last April, will join us. The choir will not only sing solo, but will combine with the band for some beautiful Christmas and seasonal music.

**Concert #3: Sunday, 2.17.08 Romantic Brass**

We will offer up Romantic brass with a capital **R**, also celebrating St. Valentine's Day at the same time. Immerse yourself in the lush, warm, dramatic sounds of nineteenth-century Romanticism, with music by Mendelssohn, Berlioz, Wagner, and others. Once again, true to our mission to promote developing brass musicians, we will be featuring once again some outstanding high school brass musicians on this program.

**Concert #4: Sunday, 4.13.08 Americans We!**

Patriotic blowout might be a good phrase for this spectacular finale concert. Trumpet and cornet virtuoso Vincent DiMartino returns to our stage for some thrilling items, while at the same time we will be completing our new compact disc with the good professor. So, enthusiastic flag-waving, great marches by Sousa and others, patriotic selections, and a tour-de force display of brass technique will make this a concert not to be missed!.
